Day 1, Arrive Rovaniemi

Your private transfer meets you at the airport and gets you to the hotel without fuss. Rovaniemi is compact — the town centre is walkable and worth a quick explore before the programme kicks off. With only a handful of daylight hours this time of year, don't waste them indoors. Grab a coffee, pick up any gear you're missing, and get a feel for the place. If the sky clears on your first evening, keep an eye out — the Aurora doesn't wait for scheduled excursions. Overnight in Rovaniemi.

Included: Private transfer, Rovaniemi Airport to hotel

Day 2, Reindeer & The Northern Lights

Your morning heads to a working reindeer farm where you'll meet both wild and trained safari reindeer. The farm visit covers the basics of reindeer herding — a way of life in Lapland for at least 500 years — before the one-hour safari itself: a slow glide through snow-covered forest on a reindeer-pulled sleigh. Coffee, tea and sweet bread are included at the farm.

The evening belongs to the Aurora. The Lapland Welcome guides know their spots — 45 minutes out of town gets you clear of light pollution, and the trip ends at a wilderness lodge where a fire burns in a traditional Finnish tepee and there's a warm drink waiting. The guides share the mythology and science of the Northern Lights while you watch. If the Aurora doesn't show, you go again — the guarantee is real. Overnight in Rovaniemi.

Included: Visit a Reindeer Farm and 1h Safari (coffee, tea and sweet bread included) | Northern Lights Trip with warm beverages

Day 3, Husky Experience

Out to the husky kennel this morning for the 3km Husky Experience with Lapland Safaris. The visit starts with the kennel itself — a proper working operation with dogs that have been bred to run and genuinely love doing it. Then you're out on the trail: one person drives, one rides as passenger, and the dogs do the rest. The safari runs about 20 minutes on the snow. Thermal outfit and all winter gear are provided, and there's hot berry juice and stories about the dogs' daily life waiting when you get back. Transfers are by car. Overnight in Rovaniemi.

Included: Husky Experience 3km — kennel visit, 3km husky safari, thermal outfit, hot beverage

Day 4, Ranua Wildlife Park

Drive northeast through boreal forest to Ranua Wildlife Park - Finland's northernmost zoo where arctic species roam in natural enclosures beneath snow-covered pines. Meet polar bears, arctic foxes, snowy owls and musk oxen - all species threatened by climate change. The park rehabilitates injured animals before releasing them back to the wild. Wolves, wolverines, lynx and over 50 other species live here across 28 hectares of winter forest. The visit runs roughly 4 hours including transfers from Rovaniemi and time to explore independently before returning. Overnight in Rovaniemi.

Included: Excursion to Ranua Wildlife Park (4 hrs, minibus transfer, admission)

Day 5, Snowmobile Driving Experience

An hour-long introduction to snowmobiling through forest and across frozen terrain. The ride covers the basics - how to control speed, how to handle turns, what to watch for on narrow forest tracks - before heading out onto a prepared trail. One hour is short, which means the focus stays on getting comfortable with the machine rather than covering serious distance. Thermal suits and gloves are provided. Overnight in Rovaniemi.

Included: Snowmobile Driving Experience (1 hr, thermal clothing, guidance)

Day 6, Ice Fishing Trip

Transfer by minibus to a private frozen lake roughly 30 minutes from town, then a short walk through forest to a secluded spot well away from public fishing areas. Your guide drills the holes, explains the technique, hands you the gear, and the rest is patience - which is the entire point of ice fishing. Whilst waiting for a bite, there's time for a snowshoe walk through silent woods or coffee by the fire. No previous experience needed, and the lake stays quiet - you won't see crowds. Overnight in Rovaniemi.

Included: Ice Fishing Trip (4 hrs, minibus transfer, thermal clothing, ice fishing equipment, snowshoes, hot beverages and snack)

Day 7, Free Day — Rovaniemi

No programme today. A few solid ways to fill it: the Snowmobile Safari in the Nature runs 3.5 hours through snowy hillsides and forests crossing frozen rivers - guides lead the way and you can drive or ride as a passenger. Santa Claus Village sits right on the Arctic Circle line, 8km out of town; the official Santa meeting is worth it if you've got kids along. Alternatively, try ice floating in a survival suit on a frozen lake beneath the Aurora, take a horse-drawn sleigh ride into the forest at night hunting for Northern Lights, or strap on snowshoes for a guided forest trek away from town. Overnight in Rovaniemi.

Optional: Snowmobile Safari in the Nature (3.5 hrs), Arctic Ice Floating under Northern Lights (3 hrs), Northern Lights sleigh ride (4 hrs), Snowshoe forest trek (3 hrs)
